About WELL Health Technologies Corp.

WELL is an innovative technology enabled healthcare company whose overarching objective is to positively impact health outcomes by leveraging technology to empower and support healthcare practitioners and their patients. WELL has built an innovative practitioner enablement platform that includes comprehensive end to end practice management tools inclusive of virtual care and digital patient engagement capabilities as well as Electronic Medical Records (EMR), Revenue Cycle Management (RCM) and data protection services. WELL uses this platform to power healthcare practitioners both inside

and outside of WELL's own omni-channel patient services offerings. WELL owns and operates Canada's largest network of outpatient medical clinics serving primary and specialized healthcare services and is the provider of a leading multi-national multi-disciplinary telehealth offering. WELL is publicly traded on the Toronto Stock Exchange under the symbol "**WELL**". To access the Company's Canadian telehealth service, visit tiahealth.com, and for corporate information, visit: www.well.company.
