

WELL Health Technologies Upgraded to the OTCQX Market

VANCOUVER, BC, May 18, 2022 /PRNewswire/ - WELL Health Technologies Corp. (TSX: WELL) ("**WELL**" or the "**Company**"), a digital health company focused on positively impacting health outcomes by leveraging technology to empower healthcare practitioners and their patients globally, is pleased to announce that it has qualified to trade on the OTCQX Market and will begin trading today, May 18, 2022.

Upgrading to the OTCQX Market is an important step for companies seeking to provide transparent trading for their U.S. investors. For companies listed on a qualified international exchange, streamlined market standards enable them to utilize their home market reporting to make their information available in the U.S. To qualify for OTCQX, companies must meet high financial standards, follow best practice corporate governance, and demonstrate compliance with applicable securities laws.

"We are pleased to announce that we are taking steps to better serve our US investor base" said Hamed Shahbazi, Founder & CEO of WELL. "WELL has a significant portion of its business in the United States and upgrading to the OTCQX is an important step towards strengthening and broadening our American investor base."

Securities Law USA acted as the company's OTCQX sponsor.

About WELL

WELL is a technology enabled healthcare company whose overarching objective is to positively impact health outcomes to empower and support healthcare practitioners and their patients. WELL has built an innovative practitioner enablement platform that includes comprehensive end to end practice management tools inclusive of virtual care and digital patient engagement capabilities as well as Electronic Medical Records (EMR), Revenue Cycle Management (RCM) and data protection services. WELL uses this platform to power healthcare practitioners both inside and outside of WELL's own omni-channel patient services offerings. As such, WELL owns and operates Canada's largest network of outpatient medical clinics serving primary and specialized healthcare services and is the provider of a leading multi-national, multi-disciplinary telehealth offering. WELL is publicly traded on the Toronto Stock Exchange under the symbol

"WELL" and is part of the TSX Composite Index. To learn more about the Company, please visit: www.well.company.
