About StableView TECH18

Now in its 5th year, StableView's technology conference is first and foremost an educational event. It presents an opportunity for investors, entrepreneurs and business leaders to learn first hand from more than 50 of Canada's most promising technology companies about the issues and challenges they face.

About WELL

Backed by legendary investor and business magnate Sir Li Ka-shing, WELL owns and operates Primary Healthcare Facilities in Canada. WELL's overarching objective is to empower primary care doctors to provide the best and most advanced care possible, leveraging the latest trends in digital health. WELL physicians serve hundreds of thousands of patient visits per year through its network of clinics. WELL is publicly traded on the TSX Venture Exchange under the symbol WELL.V. WELL Health Technologies was recognized as a TSX Venture 50 Company in 2018.
