The 2019 TSX Venture 50 is a ranking of the top performers on the TSX Venture Exchange over the last year. The ranking is comprised of 10 companies from each of the five industry sectors, selected based on three equally weighted criteria which are market capitalization growth, share price appreciation, and trading volume amount.

“We are very honored to receive this recognition from the TSX Venture Exchange” said Hamed Shahbazi, CEO of WELL Health Technologies Corp. “The response to our vision for WELL has been very encouraging and we look forward to continuing our efforts to enhance shareholder value”.

About WELL Health Technologies Corp.

Backed by legendary investor and business magnate Sir Li Ka-shing, WELL owns and operates Primary Healthcare Facilities and an Electronic Medical Record service provider in Canada. WELL's overarching objective is to empower primary care doctors to provide the best and most advanced care possible while leveraging the latest trends in digital health. WELL physicians serve approximately 600,000 patient visits per year through its network of 19 medical clinics. WELL's digital business provides EMR and EMR hosting services to more than 220 clinics, supporting more than 2,000 physicians and medical professionals, and 4.95M patients. WELL is publicly traded on the TSX Venture Exchange under the symbol WELL.V. WELL was recognized as a TSX Venture 50 Company in 2018 and 2019.
